

Sharma Radhakrishna

A programmer at heart having two decades of experience in programming, team building and leading.

EXPERIENCE

Cognizant Technologies — *Associate Director*

October 2019 - PRESENT

Designed, Developed, Reviewed and Contributed to **Guidewire PC/BC and CC applications** across multiple clients and projects. **Integrations** was my primary area of work.

Capgemini — *Manager*

November 2015 - October 2019

Designed and Developed **Guidewire PolicyCenter/BillingCenter Configuration, Integration and Portal Edge API** items for various clients spanning **Workers Comp, Personal Auto LOBs** across **50 states**.

Cognizant Technologies — *Lead Product Consultant*

October 2011 - November 2015

Designed and Developed **Guidewire PolicyCenter 7** configuration and integration items for Insurance P&C clients implementing **9 lines of businesses, 4 states and 5 different sub-entities (niches)**. Also developed items in state-rollouts briefly.

AIGSS/Mphasis — *Delivery Project Lead*

August 2006 - October 2011

Developed on various technologies ranging from Java/J2ee, .NET, WCFs, SQL Server Reports, JQuery, ExtJS, Javascript, WebServices (Rest/SOAP) etc, all of these primarily for the Insurance (Life, Annuities, Advisor) domain.

Polaris Software Lab Ltd — *Consultant*

September 2000 - June 2006

Developed for clients in Germany and Singapore implementing banking and card sites. Began working for the Insurance domain for a client implementing the Navisys LifeCAD product.
